

The manufacturer declares and confirms at their exclusive responsibility that the given products have been reviewed for compliance of their properties with the requirements of the technical regulations.

Manufacturer: Alcadrain, s. r. o., Komunardů 1626/35, Holešovice, 170 00 Praha 7, IČO: 25655809

Product: Pre-wall installation system for dry building up, height adjustable - for people with reduced mobility

Product type: AM101/1500L

Description:

Specially modified WC module for handicapped persons or persons with reduced mobility. This WC module serves as an installation frame for dry installation in front of a load-bearing wall (usually into a plasterboard partition). It is fitted with an electric linear drive (actuator), which allows you to adjust the height of the hanging toilet in the range up to 30 cm. The module includes two folding handles with electronic control panel. The toilet can be moved up and down using the control panel, but also flushed (small and large flush) or, if necessary, to call for help (hospital staff).

The object of the Declaration described above is in conformity with:

Directive 2006/42/EC

Directive 2014/35/EU

Directive 2014/30/EU
